INDUSTRIAL PACKAGING FOR YOUR BUSINESS

Trust your business to a packaging company with a Global reach and a local presence. The TricorBraun Ohio branch is strategically located to service Ohio, Michigan, Western PA and Eastern Indiana. No matter what size your operation, our local team is ready to go the extra mile to set up a supply program to meet your needs.

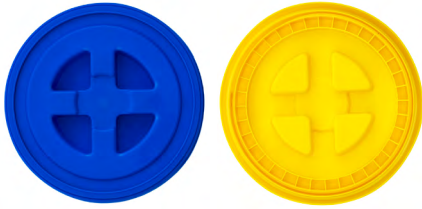

LOCAL WAREHOUSING AND NEXT DAY DELIVERY

Our Strongsville warehouse has drums, pails and lids, and cans in stock and available for next day delivery.

DRUMS

Our drums range in size from 10 gallons to 95 gallons and are available in tight head, open head, straight sided, and tapered styles. We supply drums made of plastic, steel, stainless steel, composite, and fiber materials.

PAILS & LIDS

We have a wide array of stackable pails and lids in sizes ranging from 1 gallon to 7 gallons. Choose from round, square, and rectangle plastic pails in a variety of colors. We also supply a full line of steel pails. Our pails are available in UN rated, non-UN-rated, and FDA-approved food grade.

CANS

We offer a wide range of metal cans for needs ranging from food-grade sanitary to paint storage. We carry a variety of styles, including metal paint cans, F-Styles, metal tins, sanitary cans and ends, slip cover cans, and composites.

IBCs

IBCs, Intermediate Bulk Containers, come in either 275 gallon or 330 gallon sizes. They come as either all-new units, reconditioned units with a new bottle and reconditioned cage, or a washed bottle and reconditioned cage. The totes come UN certified. Let us know the configuration you need and we can set up a program to meet your needs.

LOCAL SERVICE BACKED BY GLOBAL EXPERTISE

We've opened a new warehouse in Strongsville—but we've been serving businesses in Ohio and across the US since our founding in 1902. As one of the largest suppliers of industrial packaging, we consistently bring great prices and supply chain expertise to serve our customers. Our broad vendor base of over 1,500 different manufacturers allows us to find and stock the best industrial packaging and complementary products for our customers. In addition, our customized vendor managed inventory system enables your dedicated, locally based packaging consultant to not only understand your business but also anticipate your needs.
